

BEGINNERS CLASSES

OCTOBER

Knitting for Beginners

Learn to knit by making swatches of basic stitches. Emphasis is placed on learning to “read” your stitches so that you can become a confident knitter. Class also includes a taste of lace and cables.

Knit Beginner Project

This hat and scarf combination gives beginners opportunity to practice and polish their basic skills. You'll learn to use circular and double pointed needles while making the hat. The hat will also be your introduction to multi gauge patterns, which allow you to make the same design in many different kinds of yarn. The scarf combines the cables and other stitches you learned in Knitting for Beginners so that you can keep learning to read your stitches and have something beautiful to wear.

Crochet Beginner Project

The Crochet Lattice Stitch Scarf is a great accessory and a skill builder all in one. Diamond lattice stitch and a simple mesh stitch alternate in this piece that can be made in many different fibers to wear spring, summer, and fall. Skills emphasized will be chart reading, pattern reading, foundation rows, transitions between pattern stitches, and a simple edging that you will be able to use in many future crochet projects.
